

Policy 90-00 New Member Orientation

Sponsor: Office of the President

Policy

The Office of the President shall contact successful District Governing Board candidates after their formal election or appointment, and shall arrange an orientation schedule that may include time to meet with the Board Chair, President, the President's direct reports, and legal counsel. These meetings and orientation materials shall include general information about the College, Board accomplishments and actions, common legal practices and requirements, and College policies and procedures.

The Office of the President shall provide the newly elected or appointed Board Member a review of the orientation information upon request.
